---

Dear Parents of Incoming Freshman,

On behalf of St. Augustine High School, I would like to welcome you to our Saints family. As the Health Services Coordinator and Head Athletic Trainer, I need to collect some vital information from you in order to complete your son's enrollment into Saints. These forms are required information whether your son decides to play sports or not.

**THERE ARE THREE PARTS TO THE REQUIRED RECORDS FOR YOUR SON'S ENROLLMENT AT SAINTS.**

1. Due to Covid-19 and Social Distancing recommendations, this year Saints Physicals day is TENTATIVELY rescheduled for **Saturday, July 25, 2020**. Fall sports are scheduled to begin July 30. Please be advised that this is a tentative date, as the developments of and recommendations by public health officials for social distancing are ever changing.
  - a. You may get a physical from your doctor, but you must use the St. Augustine HS form (available on [sahs.org/athletics/athletic](http://sahs.org/athletics/athletic) forms after June 1, 2020).
  - b. **Please schedule a physical for your son AFTER June 1<sup>st</sup> and BEFORE August 27<sup>th</sup>, 2020** since physicals are needed to attend school and expire after one year.

**Saints PHYSICAL DAY**

**St. Augustine High School (Commons)**

**Saturday, July 25, 2020 8:30- 10:00 am**

**Online registration available after May 26, 2020**

2. **IMMUNIZATION RECORDS**: St. Augustine HS will need your son's updated immunization record; generally, these records can be found with the Health Services Personnel at your current elementary/middle school. Please make sure that your current school forwards this information to my attention at Saints.
3. **ONLINE ANNUAL STUDENT PERMANENT RECORD FORMS**: The collection of your son's annual electronic forms and permanent record will occur in June/July 2020. You will be notified when these forms are available on your myschoolapp account. The link is <https://sahs.myschoolapp.com>

Please contact me directly if you have questions or concerns regarding physicals, immunization records, online forms, or other health concerns regarding your son.

Sincerely,

Samantha Villa, MS, ATC
