Admissions Updates for the Class of 2028

St. Augustine High School is pleased to announce the start of the 2023-2024 admission cycle. Our goal is to create the safest campus possible for our current students and faculty while providing the traditional admissions experience whenever possible. The 2023-2024 admissions process is laid out with several key components listed below:

Myschoolapp- Saints utilizes the myschoolapp admissions program to facilitate the admissions process. Families that are interested in applying for Saints will create an account from which they will conduct the majority of the steps for admissions. Once you set up an account, you can complete an application and Saints will assign you a checklist that will help guide you through the process. The myschoolapp system will also house messages that will be sent to your email address as well. The application for 9th grade Fall 2024, the class of 2028, will launch in September 2023. We ask that throughout the admissions process you frequently check your myschoolapp account to view your official notes and to complete items on your checklist.

Student Shadow Days- November 2023. Schedule your shadow day by contacting Zorinna Aceron zaceron@sahs.org. Let her know a few days that might work for you and she will get your day scheduled for you.

Family/Small Group Tours- To schedule a family/small group tour please check in with the Director of Admissions, Paul Sipper. Tours will be held throughout the Fall with dates and times opening weekly.

Student Mass- Mass will be held in our gym Wednesdays from 7:45-8:45. To attend a mass please schedule a date with Director of Admissions, Paul Sipper. Attendance for mass will open in October 2023.
