

# Augustine High School

## Guest Permission Form

### Guidelines:

All St. Augustine High School students who wish to invite a student to a dance or other social activity are required to pre-register with the ASB moderator. Only St. Augustine High School students in good academic standing may invite a guest. All students and guests are required to be familiar with the policies, guidelines, and rules for dances and other school activities and agree to abide by those expectations. The dance/activity policy requires that individuals must remain in the building during the activity and will not be readmitted once they have left. All students and guests must abide by the “face-to-face” dance policy and any dancing deemed obscene or inappropriate by a school official will result in the student (s) being removed from the dance. Also, school policy prohibits the possession, use, or attendance while under the influence of drugs, alcohol, or other controlled substance, including tobacco. All students and guests are expected to enjoy the social activity without attempting to disrupt or otherwise intimidate or annoy other attendees.

*Middle school or junior high school students and individuals over the age of 19 are not eligible to attend.*
