

Dear Saints Baseball Parents and Guardians,

I hope this message finds you well. As we gear up for the upcoming season, I'm excited to share that we are embarking on a crucial fundraising campaign to enhance our program and provide a better experience for all our student-athletes.

To achieve our goals, we need to raise funds to support various improvements and initiatives that will directly benefit our students. Every dollar raised will contribute to a more enriching and successful season for our athletes.

To streamline and energize our fundraising efforts, we have partnered with a fantastic online platform called Schoolfundr. Schoolfundr is a safe and effective online fundraising platform that allows us to collect donations from potential supporters. The best part is with Schoolfundr we do not have to pay any huge fees like with other online fundraising options; we get to keep 100% of the money we raise (minus the cc processing fees)!! Schoolfundr is also safe/secure and does not monetize or sell our data or emails addresses to any third parties.

Your active participation is key to our success. To get started, I ask that you assist your student in compiling a list of 20 or more email addresses of potential supporters—family, friends, coworkers, neighbors, and anyone who might be interested in supporting our program. Please have your student save this list on their device, as it will be essential for the next steps in our fundraising campaign.

This simple action will have a significant impact, helping us reach out to a broader audience and maximize our fundraising efforts.

Thank you in advance for your support and dedication to our program. With your help, we can make this season truly exceptional for all our student athletes. Stay tuned for more details on how to engage with our Schoolfundr campaign.

For any questions or assistance on our Schoolfundr campaign please reach out to our representative Robbie Hill at Robbie.Hill@schoolfundr.org

Warm regards,

Craig da Luz
