

Parent Letter - Schoolfundr.org Fundraiser

Hello Parents,

I'm excited to introduce this year's online fundraiser with schoolfundr.org. Schoolfundr is a safe and effective online fundraising platform that allows us to keep 100% of the money we raise! With this platform we do not have to pay any huge fees like with other online fundraising options! Schoolfundr.org is safe/secure, and does not monetize or sell our data to any third parties. Donors are able to leave an optional tip to schoolfundr.org if they choose to.

Please help your student gather 20 or more (30 is ideal!) email addresses of adults who may be willing to support your student or our program. They can support either by donating or by sharing our campaign with other people. For questions/assistance please email our rep: Robbie.Hill@schoolfundr.org

Thank you for your support in this important fundraiser!
